## BILLY BOB PRODUCTIONS HEADS TO TURBO HAUS IN ST HENRI SINGER-SONGWRITER DAN BERN HEADLINES SATURDAY SEPTEMBER 23

Montreal - Marking a move south into the vibrant Indie music scene of St. Henri, Billy Bob Productions has planned a series of concerts at Turbo Haus, the 125 capacity venue at 5011 Notre Dame West, corner of St. Remi.

Kicking of the series will be Montreal favorite Dan Bern, whose intelligent, witty and emotional songs have been reaching sophisticated ears for over 20 years. From Marilyn Monroe to Kurt Cobain, from Tiger Woods to Barry Bonds, and from Woody Guthrie to Donald Trump, Bern has chronicled the history of American pop culture like very few songwriters before him. (He's also tipped his baseball cap to Montreal and Canada with references to the Expos, Margaret Trudeau and Wayne Gretzky in "Oh Canada".)

A true artist who has penned over 1,000 songs, an evening with Dan Bern is totally unique. The singer-songwriter-guitarist-satirist will leave you howling out loud with laughter after moving you to tears with a tender, personal portrayal of growing up in middle America as the son of Holocaust survivors.

Don't miss Dan Bern in concert at Turbo Haus. Saturday September 23 at 8 PM. Tickets available at Loic wine bar (located downstairs at 5001 Notre Dame West) or <https://tickets-ca.ticketfly.com/event/dan-bern>
